

**Chancellor's Distinguished Fellows Program  
2005-2006  
Selective Bibliography  
UC Irvine Libraries**

**Margaret J. Geller**

April 19, 2006

Prepared by:  
Kathryn Kjaer  
Research Librarian for Physics and Astronomy  
[kkjaer@uci.edu](mailto:kkjaer@uci.edu)

**Table of Contents**

Popular works by and about Margaret J. Geller ..... p. 1  
Research Publications by Margaret J. Geller (selective list).....p. 2

**Popular works by and about Margaret J. Geller**

Ames, Joan Evelyn. Mastery : Interviews with 30 Remarkable People. Portland, OR: Rudra Press, 1997.

Estus, Boyd, Margaret J. Geller, and Astronomical Society of the Pacific. Where the Galaxies Are. Washington, DC: Smithsonian Institution, 1991.

"Geller, Margaret J." Current Biography (1997): April 15, 2006. Biography Reference Bank < <http://vnweb.hwwilsonweb.com/hww/jumpstart.jhtml?prod=BIORB>>.

Geller, Margaret J. "The Black Ribbon." Science 281.5381 (1998): 1278-9.

---. "The Large-Scale Structure of the Universe." Beyond Earth : Mapping the Universe. Ed. David H. DeVorkin. Washington, D.C.: National Geographic, 2002.

---. "Mapping the Universe." Science 246.4932 (1989): 897-903.

---. "Opening the Doors of Science." Science Literacy for the Twenty-First Century. Ed. Stephanie Pace Marshall, Judith A. Scheppler, and Michael J. Palmisano. Amherst, N.Y.: Prometheus Books, 2003. 23-30.

The Great Wall CFA Redshift Survey : Graphics and News Coverage. Dir. Huchra, John P., Margaret J. Geller, and Boyd Estus, et al. 1 videocassette (ca. 45 min.). 1986.

Jablow, and Valerie. "Mapping Galactic Foam : Smithsonian astronomer Margaret Geller plotted the bubble structure of the universe. Now she's working to find out how it got that way." Smithsonian (2001): 48.

Mapping the Universe. (At a NIST Colloquium held on September 6, 1991, Margaret J. Geller presents new findings of the redshift survey).1 videocassette (120 min.). National Institute of Standards and Technology, 1991.

Smithsonian Astrophysical Observatory. "Margaret Geller's SAO Home Page." April 15, 2006 <<http://cfa-www.harvard.edu/~mjpg/>>.

So Many Galaxies--So Little Time. (A film produced and directed by Boyd Estus; written and narrated by Margaret Geller). 1 videocassette (40 min.). A production of Heliotrope Studios Ltd. for the Smithsonian Institution, 1992.

Taubes, Gary. "Beyond the Soapsuds Universe." Discover 18.8 (1997): 52(8).

### **Research Publications by Margaret J. Geller (selective list)**

Davis, M., and M. J. Geller. "Galaxy Correlations as a Function of Morphological Type." Astrophysical Journal 208.1 (1976): 13-9.

Delapparent, V., M. J. Geller, and J. P. Huchra. "The Luminosity Function for the Cfa Redshift Survey Slices." Astrophysical Journal 343.1 (1989): 1-17.

---. "The Mean Density and 2-Point Correlation-Function for the Cfa Redshift Survey Slices." Astrophysical Journal 332.1 (1988): 44-56.

---. "A Slice of the Universe." Astrophysical Journal 302.1 (1986): L1-5.

Falco,E.E.; Kurtz,M.J.; Geller,M.J.; Huchra,J.P.; Peters,J.; Berlind,F.; Mink,D.J.; Tokarz,S.P.; Ewell,B."The Updated Zwicky Catalog (UZC)." Publications of the Astronomical Society of the Pacific 111.758 (1999): 438-52.

Geller, Margaret J. Bright Galaxies in Rich Clusters: A Statistical Model for Magnitude Distributions. Dissertation: Thesis (Ph. D.)--Princeton, 1975.

---. Observations and Theoretical Studies of Rich Clusters with Multiple Subcondensations. Ed. John P. Huchra, United States. National Aeronautics and Space Administration, and Smithsonian Astrophysical Observatory. Washington, D.C.: The Administration, 1984.

Geller, M. J., and J. P. Huchra. "Groups of Galaxies .3. the Cfa Survey." Astrophysical Journal Supplement Series 52.2 (1983): 61-87.
