Selected Books, Book Chapters, & Media Presentations

Carmona, R. H. (2009). Secondhand smoke is a serious problem. In S. Hunnicutt (Ed.), *Opposing viewpoints series; tobacco and smoking*. Detroit: Greenhaven Press.

Carmona, R. H. (2008). Secondhand smoke causes cancer. In T. Metcalf (Ed.), *Perspectives on diseases and disorders : Cancer*. Detroit: Thomson / Gale.

Carmona, R. H. (2006). First responder to weapons of mass destruction incidents. In J. A. Kolman, & National Tactical Officers Association (Eds.), *Patrol response to contemporary problems : Enhancing performance of first responders through knowledge and experience*. Springfield, IL: Charles C. Thomas.

Breakthrough to nursing national student nurses' association. Carmona, R. H. and NSNA (Directors). (2005). [Video/DVD] Salt Lake City, UT: NSNA.

- Croushorn, J., & Carmona, R. H. (2003). *Tactical emergency medical support*. Hagerstown, MD: Lippincott Williams & Wilkins.
- World AIDS day observance*. Carmona, R. H. and C-SPAN (Television network) (Directors). (2003). [Video/DVD] West Lafayette, IN: C-SPAN Archives.
- Terrorism and weapons of mass destruction*. Carmona, R. H., Swanson, G. M., University of Arizona, Health Sciences Center and Biomedical Communications (Directors). (2002). [Video/DVD]
- Bioterrorism and consequence management*. Carmona, R. H., Walter, F., Shehab, Z., et al (Directors). (2002). [Video/DVD]
- Carmona, R. H., et al. (2001). Injuries from explosive devices. In J. B. Sullivan, & G. R. Krieger (Eds.), *Clinical environmental health and toxic exposures* (2nd ed.). Philadelphia: Lippincott, Williams & Wilkins.
- Carmona, R. H., Lamour, O., Gonzales D., et al. (2001). Trauma care support for mass events, counterterrorism and VIP/Dignitary protection. In E. Søreide, & C. M. Grande (Eds.), *Prehospital trauma care*. New York: Marcel Dekker.
- Bosner, L., Pretto E., Carmona, R. H., et al. (1994). Catastrophic events. In A. Kuehl, & National Association of EMS Physicians (U.S.) (Eds.), *Prehospital systems and medical oversight* (2nd ed.). St. Louis: Mosby Lifeline.
- Carmona, R. H., & Trunkey D.D. (1988). Examination and evaluation of the shock patient. In R. M. Hardaway (Ed.), *Textbook of shock*. Littleton, MA: PSG Pub. Co.
- Trunkey, D.D., Catalano, R., & Carmona, R. H. (1988). Hypovolemic and traumatic shock. In R. M. Hardaway (Ed.), *Textbook of shock*. Littleton, MA: PSG Pub. Co.
- Carmona, R. H. (1987). Cardiovascular pathophysiology of shock. In J. D. Richardson, H. C. Polk & L. M. Flint (Eds.), *Trauma, clinical care and pathophysiology*. Chicago: Year Book Medical Publishers.
- Carmona, R. H. (1984). Septic shock. In G. T. Shires (Ed.), *Clinical surgery international; vol. 9*. New York: Churchill Livingstone.

Selected Journal Articles

- Carmona, R. H. (2007). Preparedness for natural disasters. *Journal of Law, Medicine & Ethics*, 35(4), 11-16.

- Carmona, R. H. (2007). Improving language access: A personal and national agenda. *Journal of General Internal Medicine*, 22 Suppl 2, 277-278.
- Carmona, R. H. (2007). Why focus on global health? Why now? *Maryland Medicine : MM : A Publication of MEDCHI, the Maryland State Medical Society*, 8(3), 44.
- Carmona, R. H. (2007). A key partner in the team: Psychology's role in emergency preparedness. *Psychological Services*, 4(2), 135-139.
- Carmona, R. H. (2006). Health literacy: A national priority. *Journal of General Internal Medicine*, 21(8), 803.
- Carmona, R. H. (2006). From the Surgeon General. Make summer family health history season. *Journal of the American Dietetic Association*, 106(7), 1009-1009.
- Carmona, R. H. (2006). Patient care gets more complicated. *Clinical Advisor for Nurse Practitioners*, 9(9), 153-153.
- Carmona, R. H. (2006). The science of surge: An all-hazard approach is critical to improving public health preparedness. *Academic Emergency Medicine*, 13(11), 1097-1097.
- Carmona, R. H. (2006). Dietitians play important role in emergency preparedness. *Journal of the American Dietetic Association*, 106(9), 1321.
- Carmona, R. H. (2006). Improving bone health. *Journal of the American Dietetic Association*, 106(5), 651.
- Carmona, R. H. (2006). Foundations for a healthier United States. *Journal of the American Dietetic Association*, 106(3), 341.
- Carmona, R. H. (2006). Healthy children: Putting prevention first. *Journal of the American Dietetic Association*, 106(1), 17.
- Carmona, R. H. (2006). *The health consequences of involuntary exposure to tobacco smoke: A report of the Surgeon General* No. USDHHS 2006 Retrieved from <http://www.surgeongeneral.gov/library/secondhandsmoke/index.html>

Selected Awards and Honors

2008

Society of American Military Engineers (SAME), Golden Eagle Award for Contributions to National Security

2007

Stowers Institute for Medical Research and the Kansas City University, National Distinguished Service Award for Exemplary Health Policy Leadership

Commissioned Officers Association Surgeon General Koop Lecture Award

Pharmacists Planning Services Inc./American Pharmacists Association, Distinguished Person of the Year

2006

The United States Surgeon General Medallion

Department of Defense, Uniformed Services University of the Health Sciences, Distinguished Service Medal

Association of Military Surgeons of the United States, Presidential Commendation

Association of Schools of Public Health, Commendation Award

Association of State and Territorial Health Officials, National Excellence in Public Health Award

The Public Health Foundation, Commendation Award

Department of Defense, Distinguished Public Service Medal

United States Department of Health and Human Services, Secretary's Award for Distinguished Service

United States Public Health Service Annual National Public Health Leadership Award, named the Surgeon General Richard Carmona Leadership Award

American Heart Association, Special Recognition Public Health Leadership Award

American Association of Public Health Dentistry, National Community Service Award

Arizona School of Dentistry and Oral Health, Doctor of Science (Honorary)

Adjunct Professor of Public Health, East Tennessee State University

Medical University of South Carolina, Doctor of Science (Honorary)

Arizona Department of Health Services, American Academy of Family Physicians and Arizonans Concerned About Smoking, Commendation Award

United States Coast Guard Commandants Medal for Exemplary Public Service as United States Surgeon General and during Hurricane Katrina Response and recovery

State University of New York SUNY, Downstate, Doctor of Humane Letters (Honorary)

First Annual Advances Award for Leadership, Alzheimer's Prevention Foundation International

Department of Defense, Uniformed Services University of the Health Sciences, Distinguished Service Medal

Baron Dominique Jean Larrey Award for Excellence in Military Surgery

United States Public Health Service Commissioned Officers Association

National Health Leader of the Year

2002-2006

17th Surgeon General of the United States

Vice Admiral and Commander, United States Public Health Service
