

Davis, Bruce

1 Geno Dealer
Silver Palace

Q to him: "Why do the casinos have to cheat? Isn't the house percentage going to ^{win} get the money for them in the long run?"

A. "They care about every penny. They don't think they'll get it in the long run. They don't even think about it. They want it now."

"I know a dealer who lost \$1500. They sent him back in and told him to get it back. He got it back in 15 or 20 minutes."
